

CHILDREN OF DARKNESS.....Richard Farina.....Mixolydian D

vs 1) <sup>D</sup> Now is the time for your loving, <sup>G</sup> dear <sup>D</sup>

And the time for your <sup>C</sup> company <sup>D</sup>

<sup>D</sup> Now when the light of reason fails, and fires burn on the sea <sup>C</sup> <sup>A</sup>

<sup>D</sup> Now in this age of confusion, I have need for your <sup>C</sup> company <sup>D</sup>

vs2) <sup>D</sup> For I am a wild, and lonely child <sup>G</sup> <sup>D</sup>

And the son of an <sup>C</sup> angry land <sup>D</sup>

<sup>D</sup> Now with the high wars raging, I would offer you my hand <sup>C</sup> <sup>A</sup>

<sup>D</sup> For we are the children of darkness, and the prey of a foul command. <sup>G</sup> <sup>D</sup> <sup>C</sup> <sup>D</sup>

vs3) <sup>D</sup> It's once I was free to go roaming <sup>G</sup> <sup>D</sup>

In the wind of a <sup>C</sup> springtime mind <sup>D</sup>

<sup>D</sup> Once were clouds that I sailed upon, they were sweet as lilac wine <sup>C</sup> <sup>A</sup>

<sup>D</sup> Then why have the breezes of summer, dear, <sup>G</sup> <sup>D</sup>

<sup>D</sup> Been laced with a <sup>C</sup> grim design <sup>D</sup>

vs4) <sup>D</sup> Where was the will of my father <sup>G</sup> <sup>D</sup>

When he raised his sword on high? <sup>C</sup> <sup>D</sup>

<sup>D</sup> And where was my mother's wailing, when our flags were justified? <sup>C</sup> <sup>A</sup>

<sup>D</sup> Where will we take our pleasure when... <sup>G</sup> <sup>D</sup>

Our bodies have been denied? <sup>C</sup> <sup>D</sup>
